### Submission guidelines:

- Artists should be current members of LVAC, or join on submission of art. Levels for artists begin at \$5.00, and scholarships are available.
- Each artist may submit up to 5 pieces. Please be considerate of size, as we may need to edit out pieces depending on the number of submissions and size of submissions. Please do not be offended if you submit four pieces and one or two get excluded because of gallery space limitations. We will hang as much of the work as possible.
- Artists should sign MOU when submitting work, and provide contact and label information.

**Submission deadline:** All work must be dropped off at the Las Vegas Arts Council on Friday and Saturday, January 12<sup>th</sup> and 13<sup>th</sup> between the hours of 1 and 4. If those hours don't work for you, please contact the Hensslers, because arrangements will be made to accommodate you.

- Installation will take place on the 15<sup>th</sup> and 16<sup>th</sup> of January.
- Work must be presented as professionally as possible and ready to hang. Works without appropriate hanging hardware may be excluded from the exhibit. If in doubt, check with Todd.
- Pieces must be picked up between 4-7 pm Thursday, February 1 from 4 – 7 pm or contact Hensslers to schedule another time.

### Sale of Artwork:

Artists can choose from the following options:

- 1- The artist will receive the full price of their sales minus regular gallery commission of 15%.
- 2- The artist will receive 50% of the sale price, the gallery getting 15%, the rest going to charity.
- 3- Donating all of the profit to charity (minus the gallery commission)

Any donations will be divided evenly between Joseph's favorite charities, Comedor de San Pascual Soup Kitchens ([Click for info](#)) and the [1885 Kilgen Pipe Organ Restoration Project](#) at Our Lady of Sorrows Church ([Click for info](#)) and made in Joseph's name. LVAC will distribute funds within two weeks of the close of the show, and report to artists with email addresses.
