CALL FOR RECYCLED ART

Bring your recycled creations to the LVAC!

Art media should consist of mainly recycled materials. Our criteria for *recycled* is using elements that were originally manufactured and would be thrown away, if it were not for your creativity to reformat them in a manner or work of art different from its intended original use. A good criterion is that the materials you use are considered junk, or would have ended up in the landfill if you hadn't rescued them for art.

- Up to 3 works may be submitted by an individual artist
- One hanging work should be no larger than 36" X 36" others must be smaller
- 3-D work: if you have a large piece you'd really like to show, contact us before you bring it to make sure space is available
- All works must be delivered to 140 Bridge on March 31 between 1 and 4 pm, with an exhibition-ready label noting title of work, artist, media, and price including sales tax and rounded to the nearest dollar. Please bring a list with your name, title of work, and sale price for our inventory.
- Most work must be for sale. Las Vegas Arts Council retains 15% commission on sales
- Show opens on Tuesday, April 3, at 1pm, reception on Friday, April 6, 5-7 pm, you are expected to help host the reception, attend, and volunteer at the gallery for three hours at least one or more days during the show.
